Re: Fall Volleyball 2023 Update

The volleyball season begins in the middle school on Thursday, August 24, 2023 in the Pierson building. Please remember your child must have their physical and concussion forms (both properly filled out) before they can participate.

Our practices are held in the middle school gym in Pierson. All practices are now held after school normally from 3:30-5:10 pm, reminder NO practices on Wednesday's.

A shuttle activity bus will transport students back from Pierson between 5:10- 5:15 to Kingsley, where it will make two main stops: Pronto and the Kingsley school building arriving around 5:30 pm. Also note that if there is a middle school football game, volleyball practice may or may not be held after school and is yet to be determined.

If you want to take your child home from the away games, make sure a parent/guardian signs them out with the coach: *Coach Dreckman or Coach Kooima*. If you want your child to ride home with another adult and you aren't at the game to sign them out, please call the school office by noon the day of the game to make plans.
